

# LIBERTY NEXGEN-FYRE™

## A Big Stove That's Big on Heat

The Liberty™ is a large stove made for heating large homes and living spaces. At only 2.5 grams of emissions per hour, it is one of the cleanest burning large stoves approved by the EPA. The huge firebox and fire viewing area allow you to load wood up to 24" long and fully appreciate the splendor of the fire. It also features a single control to adjust air flow, making it easy to achieve burn times up to 12 hours. This stove uses a 6" diameter flue, compared to the more expensive 8" flue required by other large wood stoves. The Liberty's step-top design is enchanting yet functional, providing cooking and warming surfaces as well as radiant and convective heat. Alcove and Mobile Home approved.

NEXGEN-FYRE™ WOOD STOVES

### Options

- 400 CFM Convection Fan
- Outside Air Kit
- **GREEN START™** Igniter (See page 24)

### Specifications

- Emissions: 2.5 Grams Per Hour (CORD WOOD)
- Heating Capacity:\* Up to 2,500 sq. ft.
- EPA Tested BTUs: 15,155 to 63,239 (CORD WOOD)
- "Real World BTUs":\*\* See Below
- Maximum Burn Time: Up to 12 Hours
- Firebox Size: 3.65 cu. ft.
- Maximum Log Size: 24"
- Weight: 470 Pounds
- Construction: 5/16" to 3/16" Steel Plate
- Overall Efficiency:\*\*\* Up to 70% HHV
- Bypass Damper: Yes
- Glass Viewing Area: 232 Sq. In. 21-14"w x 11-3/4" H

\* Heating capacity may vary depending on degree of home insulation, floor plan and ambient temperature zone of the area you live.

\*\*EPA tests to determine BTU output are achieved with a single load of wood at each burn rate. At home, you are likely to add more wood to your stove to maintain your desired comfort level. By the simple process of loading your stove with additional wood, you could achieve up to a 20% higher heat output than established during EPA testing.

\*\*\* Overall Efficiency as tested using B-415.1 using Cord Wood. HHV = High Heat Value.

### Clearances & Hearth Protection

	Single Wall Connector	Double Wall Connector
A	16"	16"
B	15"	10"
C	9-1/2"	7-1/2"
D	28"	27-1/2"
E	18-1/4"	12-3/4"
F	21"	18-1/2"
	USA	Canada
G	16"	18"
H	6"	8"
I	6"	8"
