

The **S20**
SMALL GAS STOVE

Design Features

As our entry level gas stove the S20 is the perfect solution for a smaller to mid-size living room. Its modern design blends well with a variety of decor and its small footprint offers greater versatility in placement. It's available in both Nova or IP and can be vented top or rear.

Design Features

- Field conversion kit NG to LP
- Thermostat or remote compatible
- Ceramic log set
- Charcoal fluted liner
- Top vent / rear vent convertible
- Heavy duty heat exchanger
- Easy access controls
- 150 CFM variable speed fan
- Clear View Safety Screen
- Nova and IP editions
