

Westley - Antique Bronze

Westley - Painted Black

The **Westley**
MEDIUM GAS STOVE

Design Features

The Westley is our newest freestanding gas stove. It's European cast iron outer construction creates a traditional esthetic with modern accents. What really sets the Westley apart is it's 180° viewing angle giving plenty of exposure to it's high definition log set and stainless steel burner. The Westley is available in both a matte black finish or an antique bronze.
